"AKONGA taught me to work through my offense." Oliver 2020

WHY AKONGA?

At KVCC, we love empowering, discipling, and growing God's people through Jesus Christ. Our heart and passion is to equip the next generation in fundamental teaching, practical leadership and uncomfortable character development.

At AKONGA, we believe in Holy Spirit filled, Biblically foundational discipleship that transforms lives. KVCC is the most beautiful place to encounter the living God, grow in stillness and silence and see God work in real transparent ways. Living in the Coromandel of New Zealand we live minutes away from the Coast, minutes away from some of the most incredible world class hiking/tramping and an hour's drive to some of the most beautiful beaches you will ever set foot on.

Do you want an experience that you will take with you for the rest of your life?

EXCURSIONS

We love to explore our beautiful coromandel. We love to tramp, surf, fish, and explore all the beauty of God's creation. KVCC is on the gorgeous Kuaeranga River and we enjoy that a few times a day in the spring/summer.

AkongA will have many opportunities to adventure together.

A little about us...

Phil and Sheli Taylor are both extremely passionate about Discipleship in an emotionally healthy, Holy Spirit filled way. They walk with people while God transforms by the renewing of minds, enabling spirits, and completing the work He has started in each unique person for His glory.

They enjoy exploring who God is and embrace the mystery of being still with him. They are both confident teachers and facilitators and enjoy bringing the word of the Lord in their own venerable, authentic walk with Jesus. We have an incredible staff and onsite community.

Kauaeranga Valley Christian Camp has been ministering to the Coromandel since 1975. A group of Jesus Followers decided to take an old Farm in the Kauaeranga Valley and make it into a place where kids can hear the life changing message of Jesus Christ. This has expanded to not only run Camps in the Holidays, but serve at an opportunity for schools, churches and communities to enjoy the Creation of the Creator in a community based Camp that gives the campers and opportunity to grow in understanding and knowledge of who God is.

It's a really amazing time here at Kauaeranga Valley Christian Camp as we continue to seek God's will and understand His intent for the ministry of this place and serve the local community. We are excited to bring new ideas and provide more opportunities for real Growth, Discipleship, and Learning outcomes in the incredible space we get to see God glorified. We are excited to the input and ways our AKONGA Interns can help be part of the change in the ways God has made each unique person to contribute to his kingdom growth in New Zealand.
