What is YLEAD?

YLEAD (Leaders in Training) Yr 9 -11

We live in the world where young people can miss out on opportunity to find out who they are and what they are capable of. We at KVCC are passionate to see young people reach a potential that they have not reached before. We strongly believe that in order to become a world changing leader, you must first learn to humble yourself and serve. Serve others in ways that bring out their character, their gifts, their weaknesses and their ability to lead themselves and the community around them.

YLead's serve with a team during our Holiday Camps through; Kitchen help, Dishes, Cleaning, Activity Set up and Help, and Serve throughout the camp where needed.

They receive Biblical training through the week and learn to apply that knowledge to the practical skills in Ministry. They get to ask the questions; who is God? Who am I? and Where am I going?

Where do they Sleep?

Yleads get to sleep and do their trainings and activities at our Summer Village!

We try and squeeze in the Cabin at the summer village, but sometimes the boys are in the shelters. they will be sleeping on

*Whats the real cost for Camp?

At KVCC we try and make camp as affordable to everyone. However, the actual costs of running camp far outweighs the amount we charge for YLEADS. The actual cost of a Ylead for 5 nights is \$400/week or \$80/night. If you feel that you can afford the actual cost of camp, you are welcome to opt in to that. If you would like to pay the subsidised amount instead, please do that.

We want Camp to be a blessing to our communities during the holidays and be the best place for youth to be. If you are still needing funding for your youth with the subsidised amount, please let us know. We never want finances to hinder the ability to be at camp. - Thank you!

THANK YOU!

Once again, we are so excited to have you join us as we sow into the kingdom of God. Our team have been planning, praying, and preparing for a week full of fun, faith, and lifelong memories.

As we head into camp, we would greatly appreciate your prayers for our leaders, campers, and the week ahead—that God would move in powerful ways, keep everyone safe, and that each child would leave feeling loved, encouraged, and inspired.
