

ALERT LEVEL 1

COVID-19 safety plan

Use this form to document your thinking about how you and your workers will keep safe at work during the COVID-19 pandemic. Provide as much information in response to each question as possible. This information will help your workers and other people to know exactly what to do and what to expect.

The COVID-19 pandemic is an evolving situation – review your plan regularly and make changes as required. There is guidance on what to think about when you're planning a safe return to work here: <http://www.worksafe.govt.nz/>

You **don't** need to send this plan to WorkSafe for review or comment.

	DESCRIBE WHAT YOU WILL DO	WHO IS RESPONSIBLE
<p>How will you gather information on your workers' wellness to ensure they are safe and well to work?</p>	<p>Consider: Daily checks on workers' health, discussing options with workers, follow-up procedures for ill workers, contact tracing information.</p> <p><i>Example: To find out if workers are well when they come to work, we will ask each worker basic questions about their physical and mental health.</i></p> <p>Monitor daily how staff are feeling.</p> <p>Allow for flexible work schedules both on site and off so that staff feel comfortable acknowledging the fact they may not be feeling well.</p>	<p>Camp Manager</p>
<p>How will you operate your business in a way that keeps workers and other people safe from exposure to COVID-19?</p>	<p>Consider: Who needs to be in the workplace, worker input into different ways of working, what other people or businesses you'll have to interact with, ensuring separation distances, disinfecting surfaces, shared equipment, equipment for remote workers, training requirements, physical separation or PPE requirements, worker transport.</p> <p><i>Example: We will review guidance on the Ministry of Health website and to be sure we are cleaning surfaces the right way with the right disinfectant.</i></p> <p>Social Distancing: Safe distancing will be encouraged as part of ongoing standards for health and safety but are not mandatory; one example will be all bunkbed arrangements are encouraged to be head to toe not head to head.</p> <p>Increased Hygiene: Wipeable mattress covers installed for increased sanitization and ease of cleaning. Additional sanitizer dispensers installed in dining room and gymnasium. Tables will be wiped after each meal with sanitizer in addition to hot soapy water. Mandatory exit from and no entry to camp for any camper or guest who has flu or COVID like symptoms. Instructions provided to all for hand washing, sanitizing, coughing/sneezing, etc. Sanitary wipes and sprays will be used wherever is practical to avoid transmission. Use of gloves and hair nets continue to be mandatory by all food servers. Dish pit guidelines continue as per usual health and safety standards.</p> <p>Contact Tracing: A record will be kept of all those who are on site at any given time, including name, date, and contact details.</p>	<p>Camp Manager/Guest Group Host</p>
<p>How will you manage an exposure or suspected exposure to COVID-19?</p>	<p>Consider: Isolation procedures, including proactive isolation, gathering and using workplace contact tracing information, clean down procedures, contacting Healthline.</p> <p><i>Example: Arrange safe transport home immediately and provide all workers with advice on contacting GP and/or Healthline.</i></p> <ol style="list-style-type: none"> Those exposed are immediately isolated Immediate use of PPE Emergency procedures engaged including immediate shut down of program/workplace, maintain distancing at greater than 2m as person count and instructions are given Healthline is contacted and contact tracing information used Guidance from Healthline is followed including possibly: safely sanitizing all surfaces and equipment known to have been exposed to the virus, arranging safe transportation all who are potentially exposed etc. 	<p>All Staff</p>
